

Lichens in South East Scotland (LISS) Meeting1

Date and Time: 08/03/2022 10.00 - 14.45hrs

Location: Hay Lodge Park, Grid ref: NT 242404 and South Park Wood, Grid ref: NT 236402

Attendees:

Brian Coppins
Stan Da Prato
Jan Davidson
Sandy Goodwill
Ranald Lamb
Phil Lusby
Christine Patterson
Graham Pyatt
Rebecca Yahr

Note: Gareth Powell, Olesya Smart, Vladimir Krivtsov have already attended an earlier meet in March to Hay Lodge Park and South Park Wood, led by Graham Pyatt. Elaine Rainey is due to attend a meet in the same locations with Graham on 18 March.

Agenda:

- 1) To approve Constitution.
- 2) To agree on the appointment of Graham Pyatt as the Organiser of the meetings for 2022.
- 3) To agree on the appointment of Jan Davidson as Secretary for 2022
- 4) To ensure all the attendees had read, understood and signed to agree to follow the Risk Assessment for this meet.
- 5) To learn about some of the lichens in Hay Lodge park and South Park Wood

Action:

Agenda items (1) to (3) were passed with unanimous votes.

Item (4): All attendees signed the attendance sheet (see attached document).

Item (5): Graham, Rebecca and Brian led the lichen training for the rest of the group.

All 29 of the target species were found and Graham was pleased that *Rinodina sophodes* and *Lecanora pulicaris* were also seen and will be added to the LISS list. This list will be available before the next meeting.

Next meet scheduled for 12/04/2022
