Oliver Gilbert

10% off print-on-demand edition (RRP £60), with a further £10 of the sale price being donated by HarperCollins to the South Yorkshire Biodiversity Research Group

**Lichens are fascinating and beautiful organisms able to colonise a vast range of habitats, including seemingly impossible places such as bare icy mountain tops and sun-scorched coastal rocks.**

**Oliver Gilbert's classic New Naturalist book discusses all aspects of British lichens, revealing the secrets of their success.**

**For your chance to purchase a discounted print-on-demand copy of this volume, please fill out the form below. For web orders, enter the code GILBERT10 at the checkout**
